MR. JOHN JORDAN

During our three years here, you Mr. Jordan, as both a teacher and a coach, have aided us in learning and taught us sportsmanship. We, the Class of 1963, in order to acknowledge your service to Walpole High School and its students, dedicate our yearbook to you.

Seated: J. Powers, E. Johnson, A. Claff.
Standing: G. Dalton, J. Murphy, L. Tarbell, P. Bunker.

To the Class of 1963

Congratulations to each of you upon your successful graduation!

Opportunity is now yours for the asking. You have gained a certain amount of wisdom and experience and now you face your first test of leadership. Will you lean merely on this twelve-year accumulation to the point where you develop no further and have little or no initiative? or, will you recognize—and here's the challenge—that you have not learned all the methods nor gained all the experience for continuing success?

May you always prefer the challenges of life and the thrill of fulfillment, and always stand erect, proud and unafraid as a true American!

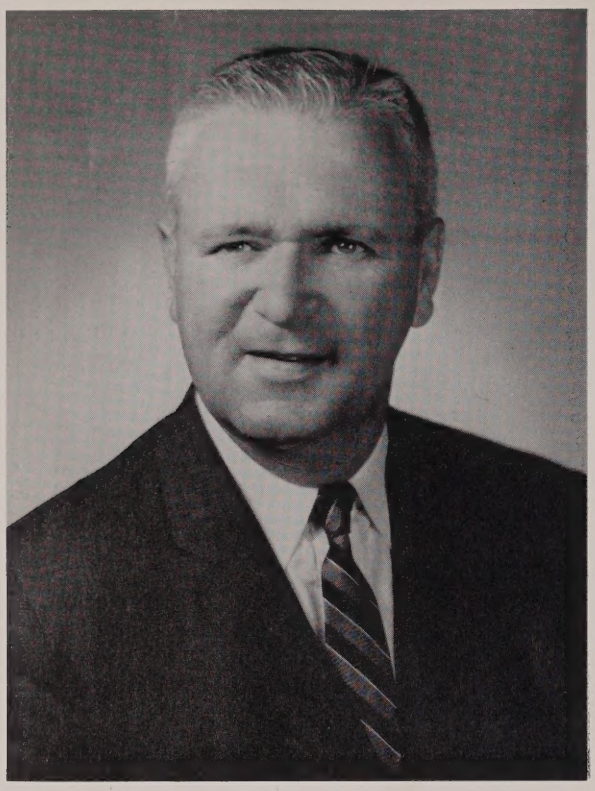
Eleanor M. Johnson
Chairman,
Walpole School
Committee

To the Class of 1963:

No country has ever rivaled our own in the opportunities it has offered to its youth. But at no time in our history has there been a greater need for strength, idealism, and courage. Make every effort to continue your education so that you can do your part in making our country a better place for free men in which to live.

Congratulations and best wishes!

John F. Powers
Superintendent of Schools



To the Class of 1963:

Congratulations on successfully reaching this rung in your ladder of life.

Graduation from high school is a beginning, not a termination. It is surprising how much one can learn as new horizons appear. Continue to strive for wisdom; search for the truth.

May your future be happy and prosperous.

John F. McGovern, Principal
Walpole High School

We salute Mrs. Grant, Mr. McGovern's very efficient and capable secretary.

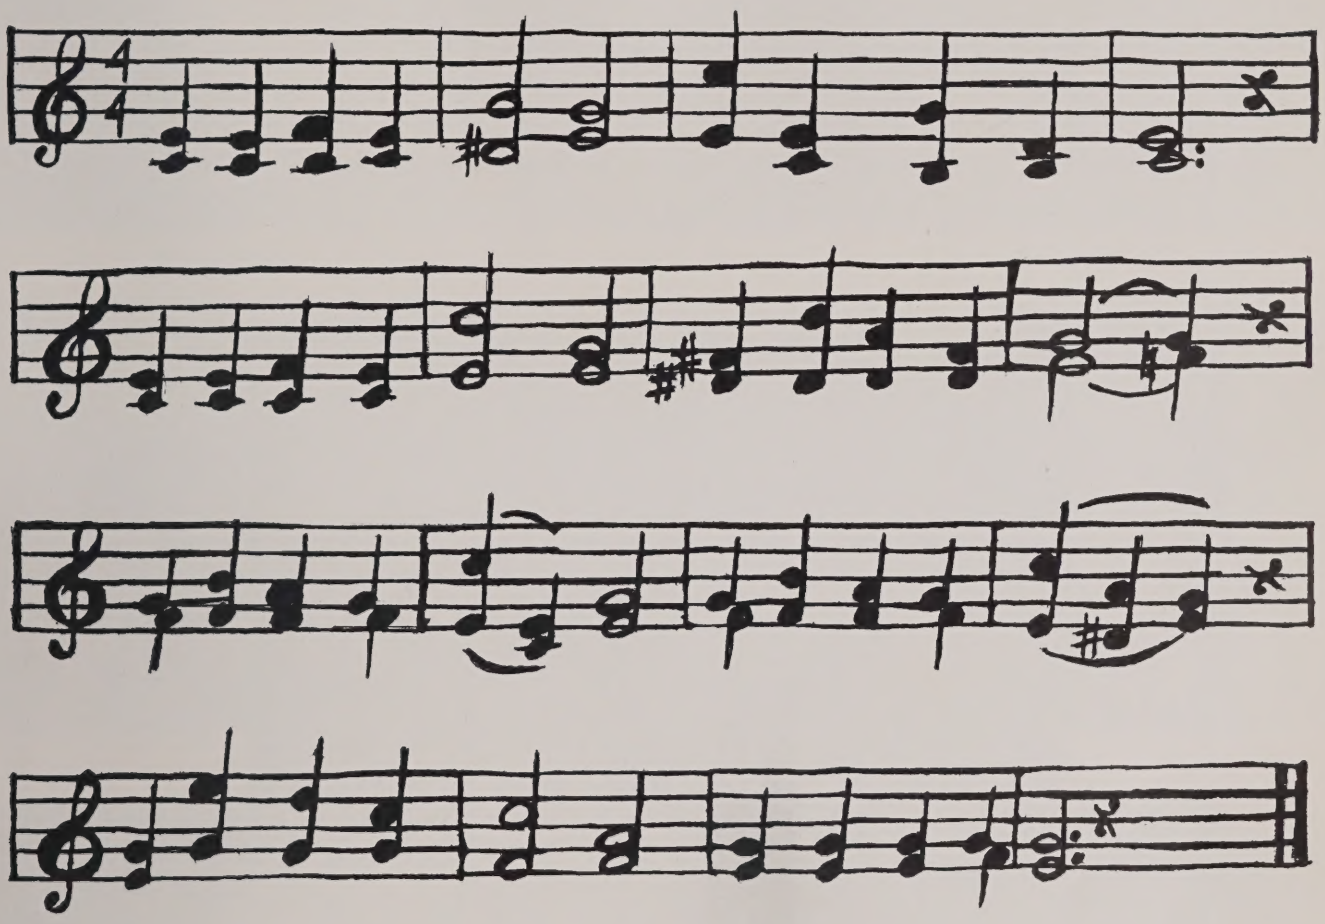
# *CLASS SONG OF 1963*



Lyrics by Donna Lee Bliss
and Charlotte E. Bullard

Tune "In the Hour of Trial"

Now we're leaving high school, fun and friends we've made.
We will long remember; memories will not fade.
Thank you WHS for all you have done.
With your tools to guide us, life has now begun.

In new paths we follow, though a door be locked,
We will turn to knowledge; at its portal knock.
Life's door then shall open with each key you gave.
Now we face the future strong and unafraid.

# *CLASS HISTORY*

We entered our Sophomore year profoundly determined to set a precedent for all future classes. We experienced for the first time the responsibility of choosing competent leaders, and the following were elected: President, John Norwell; Vice-President, Anthony Platukis; Secretary, Beverly Michenzie; Treasurer, John Yonker.

Many of our boys were included on the varsity teams, and they fulfilled all the expectations expressed by the coaches. This year gave our boys the experience they needed to become champions.

In March of '61, we held our first high school dance, "The Golden Age of '63," which was elegantly enhanced by the blue and gold decorations that lined the walls of our gym. The dance was widely supported, and it showed the achievements possible by our class. Believe it or not, it was a success without any disagreements among our members.

We ended our first successful year with a class trip to Nantasket. A day of swimming, sunbathing, and fun was climaxed by a well-chaperoned party. Thus we completed our first year at Walpole High with two exciting years to follow.

# *JUNIOR YEAR*

Our Junior year began successfully with the election of John Norwell—President, Geoffrey Currier—Vice-President, Beverly Michenzie—Secretary, Carolyn Johnson—Treasurer.

Again our boys took an active part and gained valuable experience on several of our athletic teams.

To keep up with the current rage, the "Twist," we held a "Twistmas Party" during our Christmas vacation to raise money for future projects. Shortly after that, we held our Junior dance, "Canadian Sunset," at which the representatives to Boston Ballroom were selected. Remember the dogs that looked like cows? But all in all, the decorations helped make the dance a great success.

With the help and athletic ability of our boys, Walpole captured the Bay State Hockey Championship.

We all learned a great deal in our Junior year, especially those girls on a certain football bus.

In April, we began preparations for our Prom; and finally, despite an abundance of arguments within the decoration committee, we decided on "Some Enchanted Evening" as our theme. The King Philip was beautifully decorated with stars and angel hair. The evening certainly was enchanted and will be remembered by all.

This year we went to Hampton Beach for our class trip, where our industrious boys spent most of their time throwing the girls into the icy surf. Remember when Vinny dunked Isabelle, clothes and all? The day was climaxed by an exciting party at Pete Forssell's.

At graduation in June, the Class of '62 handed us the responsibility and privileges of being Seniors, thus ending our year with high hopes and scheming minds.

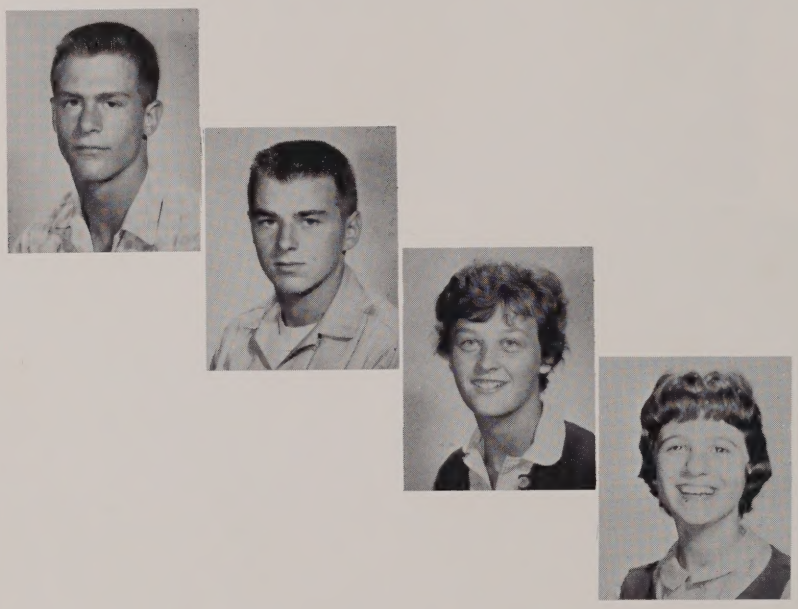
# SENIOR YEAR

For the last time we grace the corridors of Walpole High with our presence. Our election was highly competitive for the position of Class President. The results were: President, David DuFresne, Vice-President, Vincent McIssac, Secretary, Beverly Michenzie, Treasurer, Carolyn Johnson.

In the dazzling array of rain and mud, Walpole took on its usual Thanksgiving Day victory. Of course, we must mention our undefeated field hockey team and hope that future teams will live up to our standards.



First on our agenda was our Senior class dance, "The Monster Mash Party." It was at this time that we initiated the Freshmen. An initiation that all who attended will always remember. It was a spooky success.

We then ventured into the production of our Senior class play entitled, "If You Knew Susie." We'll all remember Daisy! Naturally it was a success.

Our trying basketball team fought hard against highly competitive teams in the league.

Our great hockey team fought hard to sustain the high standards which Walpole has been noted for in previous years.

We appreciated the fine Prom that the Juniors gave us at the Blue Hill Country Club.

To end our reign, we celebrated with a class trip at Ted Hilton's in Connecticut, followed by a party.

These memories of our years at school will be cherished forever as the "Best Years of Our Lives."

## FIELD HOCKEY

This year, as in the past, our team has done it again. With their new coach, the team felt a bit uneasy at first, but after that first victory over Natick no one could stop them.

Once Norma Giandomenico and Carol Tighe broke through their opponents defense, we could always be sure of a quick goal. Each had a high score of six goals apiece. Our own defensive units were exceptionally good this year. With a great deal of team work and unity only three goals slipped by them. The J.V.'s were fortunate also with only one goal scored against them. Our unity and good coaching made it impossible for anyone to stop this great team.

Although there were only four seniors on the team this year, their absence will be missed greatly next year on this winning team.

Although the girls basketball team of '62-'63 did not have any outstanding claims to fame; they did, however, possess two outstanding qualities: good sportsmanship and excellent teamwork. They may have lacked height on the court, but their spirit was always high and whenever their score was trailing they worked even harder as a single unit trying to overcome their opponents.

A win never satisfied them for they had to keep going to get that all around victory that they deserved so much. "Learn by doing" was their motto, and they certainly profited from this season.

Words alone cannot describe the untiring efforts of these girls. The enthusiasm and spirit they arouse among the spectators at every game is worthy of high praise. The devotion these girls have for their jobs is unlimited. The time and effort they put into their work is also something that should not be overlooked. In the long run, their work has paid off because we are happy to say they came in Third in the Bay State Competition and made their many spectators mighty proud to have one of the finest groups of cheerleaders in the league. Also, recognition must be given to Miss Celona who devotedly advises these girls in any problems that may arise among them.

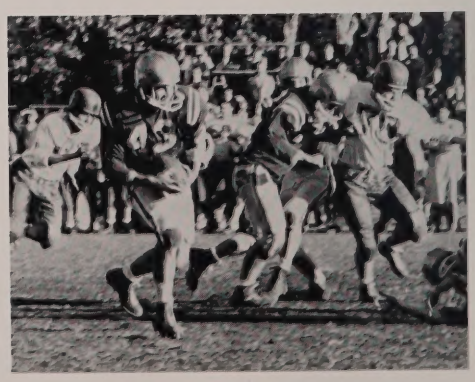
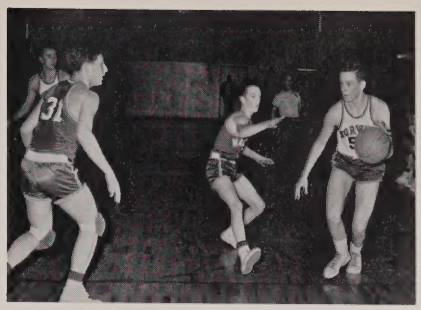
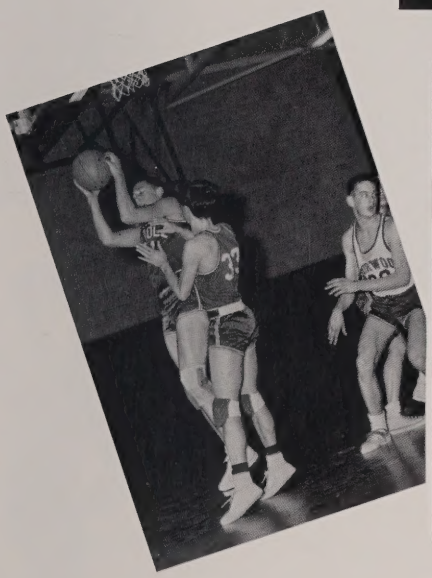
# *FOOTBALL*

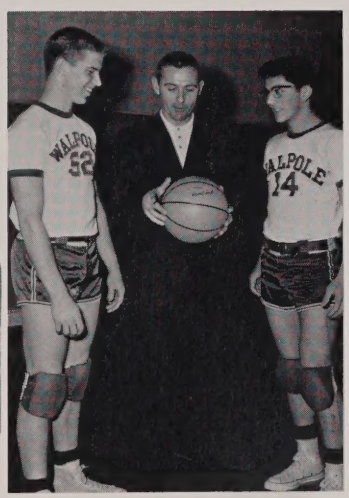
Playing a rebuilding year in an extremely tough league took its toll on Walpole. Ending the season with a two and seven record does not look too impressive but no one can say that our boys did not play a good brand of ball. The two high points of the season were when we beat Milford on Thanksgiving Day and earlier upset Framingham. Hampered by the severe disadvantage of lack of weight, we were forced to play against teams much heavier than we. We may have had a losing season, but we were never without spirit.

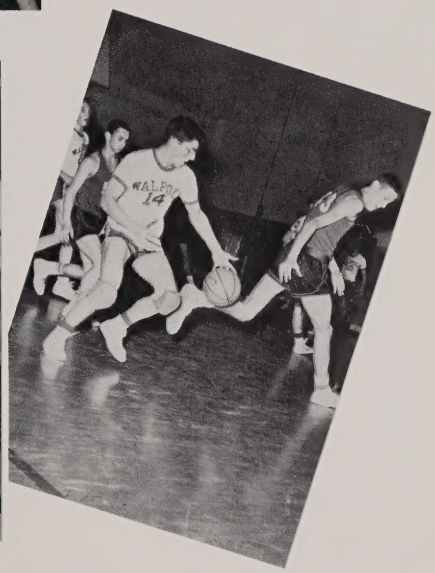


# BASKETBALL









With an acute shortage of height, Walpole battled severe odds and as a result came out with only three wins against thirteen losses. Let it not be said that we did not try, and no one can ever say we did not deserve the wins we got. Again we lost several close games and came closer on other occasions to upsetting some top clubs. We are proud of the style our boys showed and the way they played Basketball.

"Three more shutouts, and we buy you a steak"

For the thirteenth year of its thirty-two year history, the Bay State League Championship has been won by Walpole High. Wrapping up the title for the second straight year, Walpole came out with an 11 win, 2 loss, and 1 tie record. Led by Captain Ken Allan, we were labeled as the defensive club in the league, if not in the state. Our predominately Senior lines made up a scoring punch which few teams could equal. From the first game on, we never saw another team's name above ours in the standings.

# WALPOLE WINS HOCKEY TITLE

## Walpole Wins, 2-0, For Title

### *STATE HOCKEY*

After a ten year absence, the State Hockey Championship has returned to Walpole High. Coached by Mr. Cinto and Mr. Burke, our boys played and won five rough games from February 26 through March 9. Combining two fast and well-balanced forward lines with the toughest defense in the state, we emerged victorious. Special honors were received by Ken Allan, Jack Norwell, and Bob Rockwood.
